INSPIRING BEYOND MEASURE

Dear Parents,

We have had quite a few issues with 'fidget spinners'. We have let the children know that if they play with fidget spinners in class, they will be confiscated and can only be collected at the end of the day. If arguments/ fights are caused in the playground caused by fidget spinners, I will have no choice other than to ban them in school. Please can you discourage your child from playing with them during session time.

Quite a few of you have mentioned your child would like to wear a summer dress. If this is the case, the uniform for the summer is a navy blue checked dress.

Tesco have informed us that it is best to order your uniforms for September well in advance. As this is the case, we would like to advise you to start ordering your uniforms from June so that they arrive in advance ready for September. If you need any help in ordering, the office staff will be able to support. Again I would like to remind you that there are two schools with the name Byron—please can you make sure you use the correct school name—Byron Wood Academy—as uniforms will not be exchanged by Tesco.

Kind regards
Mrs Ashton
