

Weekly NEWSLETTER December (2) 2017

Working together to challenge, and inspire excellence for all.

Dear Parents / Carers,

The wintery weather is upon us and I would like to remind you of our school procedures. As usual, we will endeavour to keep the school open throughout the period of inclement weather. The weather will be monitored at all times and the site checked by the premises team. If it looks as if changes need to be made e.g closure, change of opening or closing times, we will inform you via:-

- The text messaging system
- The school website
- Hallam FM
- Radio Sheffield

Please do NOT ring the school, but do check the above communications. It is vital that we have the correct details for you so that we are able to send these messages to you.

In addition to this, please can you make sure your child is wearing appropriate footwear (boots, wellingtons), a warm coat, plus a hat, scarf and gloves.

Thank you for your support in this matter.
Mrs Ashton

Outcomes of the '5 Day Charity Challenge'

As you are all aware, last week, we carried out our 5 Day Charity Challenge to help raise as much food for people who are less fortunate than ourselves. In the five days, as a school, we managed to raise over 700 items of food ranging from pasta, rice, couscous and lentils to cans of chick peas, tomatoes, soup and biscuits.

The year group that raised the most food was Y6 with 145 items being collated. Rahima in Y6 felt it was a better idea than bringing money as this way, "...children will actually have the food and be grateful".

All the food was collected on Friday and will go towards families having something to eat over Christmas. As a school, we can be proud of our caring nature and wanting to contribute to the wellbeing of others. We are taking this time to think about and support others who are less fortunate than ourselves.

Yesterday, I received an email from the organiser saying the following,
"I just wanted to email to say thank you personally for getting behind our campaign. I've been overseeing the project and the work you and the school have put in working with Lorna has taken our small idea to levels beyond anything any of us ever imagined." Euan Antona

Again, this would not have been possible without the support from you.
